HOMELESS HEARTS OF SINGAPORE

Need Help?

- Homeless Hearts of Singapore is a volunteer group and registered charity (*UEN: 201839495C*) serving the homeless in Singapore.
- We're an official working partner with MSF's Partners Engaging and Empowering Rough Sleepers (PEERS) network.
- **We're NOT a homeless shelter.** But we work with shelters, social workers, and community groups (e.g. churches, mosques, NGOs) to guide and help you to find safe places to stay where possible.
- Being an all-volunteer group means that we usually respond **after working hours (5 or 6 pm).**
- To learn more about us, visit us at homeless.sg / Facebook / Instagram.
