Redistribute Near-Expiry And Packaging-Damaged Food To Welfare Homes

Did you know? Not all damaged goods are damaged equally. Not all of them should be thrown out, but that is exactly what happens at retail marts a lot of the time! Help us save the food for those who need it instead.

S$209,617	29	968
Worth of Items Saved and Given Out	Welfare Homes	Beneficiaries

About This Progr

The **Market Place** programme seeks to
win solution that reduces food waste w
those in need by channeling food that
wish to keep on the shelves but still goo
consumption food to those who need i

The items are distributed to welfare hom
beneficiaries via our Community Food
programme.

Find out about our other programmes,
Food Pack and School Goodie Bag that
need, as well as another that seeks to e
food distribution in Singapore, Bread Ru

How it works: Receiving Unsellable Items

1 / 4

> "If you want to fry bee hoon with canned food, you need a lot of canned food, then you can fry lunch for the whole house here. And it will cost a lot. But with Food from the Heart, we have no problems frying it once or twice a week."
