Nourishment For Underprivileged Children During Their Key Developmental Years

Did you know? Ensuring proper nutrition is crucial for fostering a healthy mind and body, ultimately preparing our children for a successful future. Essential protein and mineral-rich foods, such as eggs and milk, play a vital role in supporting this journey.

About This Progr

The **School Goodie Bag** programme is
effort towards helping children in need
programme focuses on providing esser
rations to underprivileged school stude
families. This initiative supports them d
stage of their lives when proper nutritio
both physical and mental development

Every month, these 'Goodie Bags' conta
healthful food items from low GI vermi
to UHT milk, fresh eggs and oatmeal, a
to underprivileged children with the he
volunteers. This carefully curated selec
ensures a balanced diet but also consid

Helping Children in Need 1 / 5

"There are seven people in our family, but only my husband and I are working, so the monthly School Goodie Bag helps ease our financial constraints. With it, I am able save around 30% of my grocery spendings. The cooking oil is especially useful to me as we cook a

lot at home. My family also likes the malt beverages as it makes a fast, easy breakfast."
